ORDER

At Wilmington this 1st day of **November, 2005**.

IT IS ORDERED that a teleconference has been scheduled for **Monday, November 14, 2005 at 5:00 p.m. EST** with Magistrate Judge Thyng to discuss the scheduling of, the procedures involved and the types of alternative dispute resolutions available, including mediation conferences. **Plaintiff's counsel has provided the following as the dial-in number for the teleconference:**

Toll Free Dial In Number: (877) 807-5706

HOST CODE: 836077

PARTICIPANT CODE: 300694

Plaintiff's counsel shall provide all counsel and unrepresented parties with a copy of this Order.

Local counsel are reminded of their obligations to inform out-of-state counsel of this Order. To avoid the imposition of sanctions, counsel shall advise the Court immediately of any problems regarding compliance with this Order.

Counsel and the parties are required to review and be prepared to discuss the attachment to this Order during the teleconference.

/s/ Mary Pat Thyng
UNITED STATES MAGISTRATE JUDGE

TELECONFERENCE PREPARATION REQUIREMENTS

The following are some areas that the Court will focus upon during the teleconference, if applicable. Counsel are required to be prepared to discuss these areas and shall advise the Court of other issues that may affect ADR.

1. The parties' interest in ADR and the type of ADR (e.g., mediation; arbitration, binding or non-binding, with or without high/low; neutral evaluation; summary or mini bench or jury proceeding).

2. The timing of any ADR process. Note: Generally, the Court's availability is approximately 140+ days from the teleconference date.

3. The availability of counsel, the parties and/or their decision makers.

4. The length of time needed for the scheduled ADR process (e.g., more than one day).

5. The identities of any non-parties who have an interest or influence on the outcome of the litigation, and whether they were notified by counsel or the parties of the teleconference. For example, such non-parties would include health care or workers' compensation lienholders, excess carriers, or unsecured creditors in bankruptcy adversary proceedings. Note: If any non-party's interest would likely prevent a resolution if not a participant in the selected ADR process, or whom counsel or a party feels may be necessary for an effective ADR process to occur, then counsel or the party **shall advise** the non-party or its representative of the date and time of the teleconference and their required participation.

6. Any ancillary litigation pending/planned which could affect the ADR process in this case, including companion cases filed in this Court or other courts, and arbitration proceedings.

7. Previous efforts, if any, by the parties or their counsel to resolve this matter.

8. The identification of any outstanding liens, the amounts verified, and whether the liens are negotiable or limited by governmental regulations or statutes (federal, state or local).

9. The identification of other information required to appropriately and reasonably value this matter prior to the ADR process selected. If the information will not be available or completed by the time of the teleconference, counsel shall have an understanding of the type of information, reports, data and necessary discovery before ADR should occur.
